Twelfth Annual Golf Classic

Tuesday, October 4, 2011
Kings Creek Country Club
Rehoboth Beach, DE

The Jean & Joan Fund has been established in the memory of Jean James and Joan Martin, two outstanding women who lost their valiant battle with cancer. During their final months, both women were surrounded by families that loved and cared for them and a circle of friends that generously gave their time and support.

It is most important that people going through these trying times receive all the physical and spiritual support available. The goal of the Jean & Joan Fund is to assist the Tunnell Cancer Center in providing care and comfort for patients.
