To celebrate the 100th Anniversary of Beebe Healthcare in 2016, we created a leadership giving club—the 1916 Club. Members of the club donate \$1,916 or more each year to the Annual Fund and receive special recognitions and invitations to special events.

The 1916 Club continues to grow into Beebe's next century of caring, creating a foundation of strong supporters of the Annual Fund and of Beebe Healthcare's commitment to excellent patient care.

In 2017, 209 members generously contributed more than \$406,000. We invite you to join this leadership club by donating a gift of \$1,916 or more to the Annual Fund. We are so grateful for all the generous support you give to Beebe Healthcare—your local, nonprofit community healthcare system.

Terese Audrey Parsell, granddaughter of Beebe Medical Foundation Board Member Keith Parsell, looks comfortable behind the wheel of this 1916 pedal car, donated by Megee Motors to the 2016 Beach Bash Auction.
